Research Academy of Social Sciences, Maharashtra (RASS)

An Introduction

Research Academy of Social Sciences (RASS) is an academic research platform that promotes genuine research in the field of social sciences by designing seminars and conferences on burning and significant topics of national interest. It aims at exploration of truth through research and knowledge production in the domains pertaining to social sciences impacting human civilization. RASS organizes colloquiums and maintains a web portal where research papers on various aspects of human society would be published. Thus it provides a platform for the authors, writers, researchers, faculties and students as well.

The areas of research would be: poverty, employment opportunities, social evils, communal harmony, family institution, marriage, gender issues, dowry, corruption, female foeticide, education, moral education, value-based education, good governance, social justice, economic disparity, history, politics so on and so forth. To bring about a positive socio-economic change in the society, in addition to creating awareness among masses, igniting minds of the elite and educated is also important; because they play a vital role in influencing the masses. Through this platform RASS strives to promote research to enlighten the elite in the above earmarked areas.

Vision: To touch the new horizons in the journey of knowledge by creating alternative paradigm of purposeful, holistic and value-based knowledge.

AIMS and Objectives:

1. To build a convincing narrative through research that paves way for the peace, progress, justice and contentment of peoples around the world.
2. To promote purposeful holistic and value based knowledge and to evolve as knowledge producing organisation.
3. To promote research in Social Sciences and Humanities

What do we do?

1. Encourage ethical, productive and genuine research in the field of social sciences.
2. Provide a platform for research scholars and academicians to present their research via colloquiums and our web portal.
3. Fund such research wherever required and deemed fit.
4. Collaborate with other social organizations and research institutions in forging an informed opinion on social issues and strive towards their remedies using a strategic approach.

Statement :

RASS Wants to evolve as a leader in the world of real knowledge which is sure means of emancipation of the under privileged. It is a sure means to create a real path for progress of weak and marginalized.
